“*In the marketing plan, we rely on all available means from the Internet, relationships and experience.*”

Public Relation

Our company is a lab of new and some eclectic ideas which cater to the crowd targeted as per the requirements. PR & Social media is the hub for networking and promote your product and visibility among the world.

Our friendly PR experts can build a plan as the way you want and put their expertise to achieve the targets and sales leads through LinkedIn, Facebook, Twitter and Instagram.

Whether you want to drive footfall for your spa or get the business writers buzzing about your latest financial results or generate maximum hype around a new movie release we can always run effective campaigns for your Industry or specialised product launches to give you effective results in time.

We cater to different industries like Healthcare and business, Beauty and lifestyle, Hospitality and business, Family and parenting to Movie and Media PR Campaigns.

Social Media Management

Social media marketing is a fun, conversational, younger, new generation, approach. Especially when you're developing multiple brands and businesses.

It takes a real understanding of audience segmentation and engagement to elicit action. And it absolutely must stay true to, and even reinforce, your brand's positioning. There are no magic formula, but we at Click-Design help you to make your product or service real, meaningful and with targeted audience and connections.

From Brand development and awareness to media engagement to influencers and right targeted followers and build relationships and to boost your lead generation, conversation and targeted social media, sales and ad campaigns to leverage your social media effectively to maximise your reach and divert traffic to your website which is our end goal effort providing you the best results.

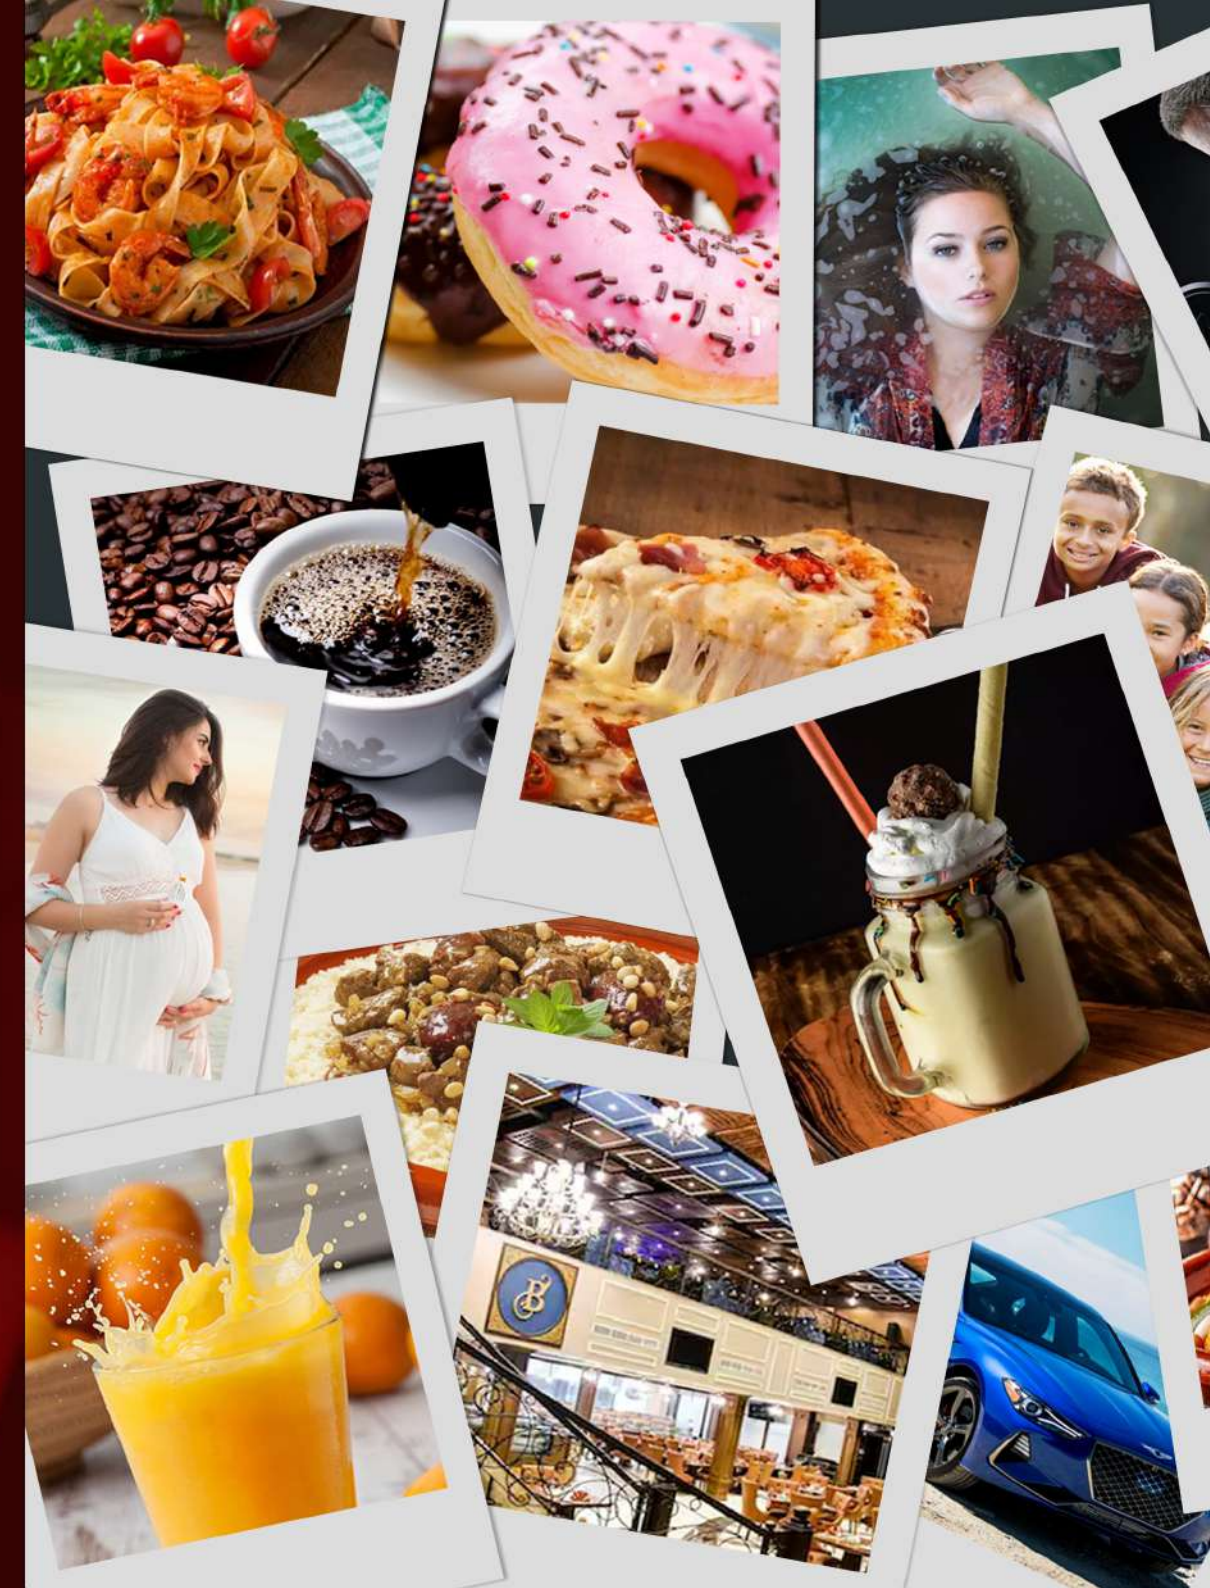

Photography & Videography

Showcase your beloved brands with the right perspective with a fresh viewpoint which will make your stakeholders help you change the way you manage your business.

Our Photo & video production team have the equipment and expertise necessary to offer the complete service in a way that aligns with and supports your online & offline marketing goals including script, shoot, edit, produce and distribute your Photos and video effectively in a very professional and cinematic way like Corporate, Food, real estate, virtual-360, real estate, wedding, seminars, live-streaming, Webinars, concerts and events.

We also specialise in special Ariel photo and videography, Drone camera shots in 4k and High frame rate to get the best pictures and to give a grandeur to your real-estate product showcase for your photos & videos.

Media Advertising

We connect to advertising services which connect to thousands to people who may be looking for your product and may be interested in them. Our media advertising is the most cost-effective form of social media available at your service.

We use Demographics, Email marketing, website visitors count, Facebook, Twitter, Instagram, Pinterest and LinkedIn advertising services.

We assign you a experienced social media and advertising manager who develops a real advertising strategy for you and create engaging advertisements, monitoring you ad and optimising with reporting and communication is agreed time frame.

Events Management

We believe in innovating constantly in the events industry to Connect people and enable them in this time period with advanced in person and virtual event experiences. We offer all kinds of events – Like trade shows, Virtual meets, Virtual events, Wedding events, Brand launching, Contests, Film and festival launch events and corporate events.

We believe in brand building and our purpose is to create one of a kind experience to your beloved event and make it an unforgettable experience.

We always think out of the box and be prepared to dominate the minute details as required. Be it a small birthday party to a celebrity or corporate awards ceremony.

Events Management

We do a collaborative, integrated, cost-effective design to suit your needs:

Our Process for your perfect event

- Event Strategy and Planning
- Venue Sourcing and site selection
- Event Production
- Operations and logistics management
- Trade show and sponsorship management
- Event registration management
- Virtual & Hybrid Event Planning
- Post event analysis and reporting

A close-up of two hands shaking in a firm grip, signifying a business deal or agreement. The hands are wearing light-colored suit sleeves. The background is a dark teal color with a network of thin white lines connecting circular portraits of diverse people, representing a global client base.

OUR CLIENTS

YES ! WE ARE ***GROWING*** THE BUSINESS

Dear Client ***Relax & Leave it on **Cl!ck**Design !***

Ultimately, Click Design task is to create the brand's foundation, its belief, cause, purpose, and truth.

Several clients have engaged Click Design to explore the challenge of creating their brand and setting their marketing strategy, given Click Design unique approach to branding and marketing.

We define how a brand is so different from the hundreds of other offerings in the respective market.

Moreover, we create a personality and behavior that set the brand apart.

The task is to establish and position the brand in the market.

The cherry on the cake is that we bring the brand to life through a visual identity that matches its positioning and spirit.
